## May Street Elementary School

Parents, you **do not** have to purchase supplies. The school will purchase student supplies in bulk at a significant discount. The cost will be included with the registration fees at the beginning of the school year. If you would like to purchase your own supplies, please contact the office for a supply list.

Thank you!

## Escuela Primaria May Street

Padres, **no** necesitan comprar útiles.  
La escuela compra los útiles por mayoreo a un precio reducido. Este costo será incluido con las tarifas de inscripción al principio del año escolar. Si desea comprar sus propios útiles, póngase en contacto con la oficina para obtener una lista de útiles.

Gracias!
