The locker you will be assigned is in good repair. If not, this must be reported the first day of school.

I understand that I will be held responsible for any damage to the locker during my occupancy and that I will be billed for the cost of repair to the locker. Normal wear and tear are not included. I also understand that the locker is school property and can be searched by a school administrator with or without the student present.

The lockers are not designed for maximum security. DO NOT place valuable items or money in your locker for safekeeping. DO NOT place fundraising money in lockers.
