

## **SLG and Professional Growth Goal Final Results Submission**

This form accompanies the end of the year or term SLG collaboration process between the evaluator and direct report. The collaboration process should be a professional conversation about student learning and growth.

Teacher:	
Administrator:	
What is the date of your SLG collaboration meeting?	
SLG Goal #1: Indicate the percentage of students who met their growth targets.	
SLG Goal #1: What percentage of students exceeded your established growth targets?	
SLG Goal #1: Briefly reflect upon and describe your end of year (or term) SLG Goal data.	
SLG Goal #1: Briefly describe the implications of your results on your professional growth.	
SLG Goal #2: Indicate the percentage of students who met their growth targets.	
SLG Goal #2: What percentage of students exceeded your established growth targets?	
SLG Goal #2: Briefly reflect upon and describe your end of year (or term) SLG Goal data.	
SLG Goal #2: Briefly describe the implications of your results on your professional growth.	
Please reflect on your annual professional growth goal established at the beginning of the school year and describe your progress and outcomes.
