

Dear HRMS Families and Panthers,

This newsletter has information on School Supplies, Extended Office Hours, The CAT Bus, Health Media Club, and a New “Trick”

HRMS has a limited supply of binders, pencils, paper (graphing and lined), markers, and other student school supplies available in the HRMS Library and at Cascade Locks Elementary. Please stop by if you need supplies.

Extended Office Hours

Hood River Middle School will be accepting phone calls Monday Through Friday from 7:00 AM - 7:00 PM during Comprehensive Distance Learning. Please use our main office phone number at (541) 286-2114. You can direct technology questions to this line and you will be transferred to our HelpDesk (also open during the same hours).

FREE Columbia Area Transit (CAT Bus) Passes

Columbia Area Transit (the CAT Bus) is offering FREE passes to middle school students in Hood River County! Please print and fill out the attached pass if you and your family agree to this free pass. The form can be turned in to the CAT Office located at 224 Wasco Loop in Hood River.

Health Media Club

The Health Media Club is starting again on October 6th with a virtual meeting from 11:30-12:00. The club promotes health choices using media. Students will need to register by emailing club advisor Belinda Ballah at Belinda.ballah@co.hood-river.or.us Please spread the word to your friends.

New “Trick”

Our teachers are reporting that some students are “turning in assignments” in Google Classroom that have no work attached. This gives the appearance that all assignments are completed for the class. Please do not do this in your classes. It is confusing and it will affect your learning and grades. Families, I appreciate your help with a talk to your students about why this is not acceptable.

Thank you Panthers and Families I hope that you enjoy this beautiful Fall weekend!

Mr. Emmons/Brent
