What does student engagement look like? How do we measure student engagement?

Engagement = Students <u>Say</u>, Students <u>Write</u>, Students <u>Do</u>

The "Rules" of Engagement

- 2. Occurs simultaneously: individual, pairs, or groups
- 3. Occurs throughout the lesson every 3-4 minutes for elementary, every 7-10 minutes for secondary
- 4. Students are processing the learning focused on the learning target
